Why We?

Our trip is exclusively for 18-35 year olds. So you get a chance to travel with a group of young people just like you. Who are fun and easy to connect too.

We know how hard it can be to convince the friends for a trip and make plans which never see the light of day. With us, you can join the trip solo too if others back out. You may be going on bunch of strangers but you will come back with a family.

Our trips are chill and comprise people who like to live in the moment, appreciate nature and make new friends. The kind of people you will meet and make friends with is what makes it so special.
